

---

At LCA, the mission of the school continues in the summer months with the offerings of a variety of summer camps. Academic enrichment, athletic training, and STEM are all part of the offerings this summer! There are camp options for students in (rising) PreK-12th grade.

A minimum number of registrants is required to offer camps, so invite your friends & neighbors!

LOGANVILLE CHRISTIAN ACADEMY

# SUMMER CAMPS

## COOKING WITH KING

June 17-18  
6th-12th Grade  
9am-12pm || \$80 || LCA US Lunchroom  
Camp Instructor: Andre' King  
Bring: Chef's Knife & Cutting Board

Eat like a King! Join Coach King as he serves up a hands-on approach to plant-based cooking. This delicious culinary experience will leave you enlightened and well-fed at the end of each day. You will learn about the benefits of growing, preparing, and adopting a whole-food, farm-to-table lifestyle.

## SPANISH CAMP

June 15-18  
1st-2nd Grade  
9am-11am || \$120 || LCA 400A  
Camp Instructor: Gina Morton  
Bring: Water Bottle & Snack

Spanish Camp offers lively and fun ways to learn and practice Spanish through rhymes, dance/movement, role-play, songs, and games that are developed specifically for this age group. Campers will learn introductory sentences in order to greet friends, say their names, and name farm animals. We will have a celebratory snack on the last day.

## MAKE A MOVIE CAMP

June 15-18  
3rd - 5th Grade  
9am-12pm || \$140 || Innovation Lab  
Camp Instructor: Josie Williams  
Bring: Water Bottle & Snack

This camp combines the fun of drama with a prevalence of technology. Students will collaborate to write a script, act, direct, film, edit, and produce a short film. Students will hone their acting skills while getting practical exposure to technology. With all the pieces that go into making a movie, students will get to focus on what they love and safely dabble in new things.

## COOKING CAMP

June 15-18  
4th - 6th Grade  
10am-12pm || \$120 || LCA Lodge Room 115  
Camp Instructor: Erika Lambert  
Bring: Water Bottle

During this amazing camp experience, we will be making an appetizer, main dish, and dessert. We will end each day with a picnic to enjoy our creations. The kids will also create a recipe book to take home! Bon Appetit!

## STEM SPIES

June 22-25  
2nd-5th Grade  
9am-12pm || \$150 || Innovation Lab  
Camp Director: Josie Williams  
Bring: Water Bottle & Snack

Learn about age-appropriate forensic science, spy gadgetry, and detective skills. Students will solve mysteries, crack secret codes, lift fingerprints, and so much more. Wannabe spies, detectives, and scientists won't want to miss this action-packed adventure!

## eSPORTS CAMP

June 23-25  
6th - 8th Grade  
9am-12pm || \$100 || LCA US STEM Lab  
Camp Instructor: Kirby France  
Bring: Gaming Controller & Headset

eSports Camp provides students the opportunity to learn in-game communication and team-building skills while playing multiple competitive video games.

## DISNEY CAMP

June 22-25  
PreK - 1st Grade  
9am-12pm || \$125 || LCA Room 270A  
Or 1pm-4pm || \$125 || LCA Room 270A  
Camp Instructors: Elizabeth Giddens and Kim Wages  
Bring: Water Bottle, Snack, & Tennis Shoes

Get your Mickey ears ready because we are going on an adventure! We will play games, participate in craft activities, and prepare themed snacks. On the final day of camp, we will have a Disney party!

## CHEER CAMP

July 6-9  
PreK - 8th Grade  
9am-11am || \$120 || LCA Barn  
Camp Instructor: Kristine Nix  
Bring: Water Bottle, Snack, & Tennis Shoes

Coach Kristine will focus on progressive skill development with an emphasis on safety and proper technique. Participants will learn how to stunt, jump, dance, cheer, and count music while working with LCA varsity cheerleaders. On the final day of camp, participants will perform for the parents.

## ACROBATICS CAMP

July 6-9  
3rd - 8th Grade  
11:15am - 1:15pm || \$110 || LCA Barn  
Camp Instructor: Kristine Nix  
Bring: Water Bottle & Snack

Through a series of stations, students will learn proper stretching techniques and improve flexibility. We will focus on skills such as scorpions, splits, heel stretches, and backbends. Whether a dancer, gymnast, cheerleader, or someone who just loves acrobatics, this camp will enhance every athlete's acrobatic ability!

## BASEBALL CAMP

July 6-9, 1st-8th Grade  
9am-12pm || \$120 || LCA Baseball Field  
Camp Director: Josh Paul  
Bring: Water Bottle, Glove & Bat, Wear Baseball Cleats & Hat  
Baseball camp is designed to build skills, fundamentals, and techniques with our student-athletes. Instruction will include proper mechanics in throwing, fielding, and focused hitting sessions.

## VOLLEYBALL CAMP

July 6-9, 5th - 10th Grade  
9am-12pm || \$150 || LCA Gym  
Camp Director: Mark Dossett  
Bring: Water Bottle & Tennis Shoes  
At this camp, participants will learn and develop the fundamental skills of volleyball through game-based drills and activities. Participants will be grouped by age and ability level.

# LCA SUMMER CAMPS

## TECH CAMP

July 6-9  
3rd - 5th Grade  
1:30pm-3pm || \$120 || Innovation Lab  
Camp Instructor: Josie Williams  
Bring: Water Bottle & Snack

Don't want your kids playing video games all summer? Why don't they learn how to design their own! Do they spend too much time on a device? Why not turn that addiction into innovation as they learn how to develop their own app! Tech camp is a place where students' interests get to lead the way on what projects they want to develop-- an innovative app, a brand new game, an animated video, or all three! These projects not only help build critical thinking skills, but expose kids to the growing field of technology.

## ARCHEOLOGY STEM CAMP

July 6-9  
2nd - 5th Grade  
9am-12pm || \$150 || Innovation Lab  
Camp Instructor: Josie Williams  
Bring: Water Bottle & Snack

Grab your Indiana Jones hats and gear up for an adventure through the ages. Students get to be archeologists and time travelers as they learn about the culture, art, and architecture of ancient Egypt, Greece, Rome, China, and South America. As Christians, we'll also look at how these civilizations have played a role in God's plan. They will get to put creativity, critical thinking, and collaboration to work through daily STEM building challenges, art projects, and ancient mysteries.

## FOOTBALL CAMP

July 13-16  
3rd - 8th Grade  
9am-11:30am || \$120 || LCA Practice Field  
Camp Director: Adam Miller  
Bring: Water Bottle, Snack, & Cleats (not mandatory), and Tennis Shoes

Down, set, hike! Get ready for the fall with the LCA Lions Football Summer Camp! This is a chance for campers to learn new skills, fine tune some they may already have, build new friendships, and have a blast! Campers will learn proper techniques and fundamentals for both offensive and defensive positions from the LCA Varsity football coaches and players.

## FASTPITCH SOFTBALL CAMP

July 13-16  
1st - 8th Grade  
9am-12pm || \$120 || LCA Softball Field  
Camp Instructor: PJ Conner  
Bring: Water Bottle, Snack, Bat, Glove, Cleats, Facemask, and Heart Guard

Softball camp will provide an opportunity to learn the fundamentals and mechanics of fastpitch softball. Girls will learn offensive and defensive skills such as hitting, fielding, and field positions. Campers will have the opportunity to work with past and current LCA Varsity athletes. Players will learn new drills and be able to showcase their skills in a live scrimmage setting. At LCA, we emphasize sportsmanship, improvement, excellence, and fun!

## ESCAPE ROOM CAMP

July 13-16  
4th - 6th Grade  
9am-11am || \$120 || LCA 210B  
Camp Instructor: Kelly Loyless  
Bring: Water Bottle & Snack

Our students learn best when they invest themselves in the lesson and investigate all possible solutions to a problem. The learning environment for this summer camp is not a traditional classroom, but rather an escape room! Students are actively using creativity, problem solving, communication, math concepts, and teamwork to break out of a variety of puzzles, questions, and multi-faceted investigations. During the 4-day camp, students will be challenged to think critically and collaborate through a series of escape room scenarios. They will use logic skills, math computation skills, and pattern/sequencing concepts. It is going to be so much fun "escaping!"

## "SPAR WARS" Camp

July 20-23  
1st - 8th Grade  
9am-12pm || \$120 || LCA Barn  
Camp Instructor: Craig Shaw  
Bring: Water Bottle & Tennis Shoes

Master the force this summer with CBBA Taekwondo Camp. The week will be filled with Spar Wars activities, games, and fun! The week concludes with our "Spar Wars" Competition. Now accepting PADAWANS!

## BASKETBALL CAMP

July 20-23  
1st - 8th Grade  
9am-12pm || \$120 || LCA Gym  
Camp Instructor: Orlando Price  
Bring: Water Bottle & Basketball Shoes

Individual camp that emphasizes basketball fundamentals, individual skill development, and overall athleticism. Participants will work in small and large groups to help ensure that each athlete gets better and learns something new.

## CLAY TARGET CAMP

July 21-23  
8th - 12th Grade  
10am-5pm || \$275 || LCA Barn & Various Shooting Ranges (transportation provided)  
Instructors: Mike Davis & Andrew Martin  
Bring: Hydration, Snacks & Lunch, Shell Bag or Vest, Eye and Ear Protection, Hat, Shotgun, & Shotgun Shells

Clay Target Camp is for new or veteran shot-gunners and is held at five different shooting venues. Activities will include clay target skills, trap shooting, skeet shooting, 5-stand, and shooting sporting clays. All participants must have completed the Georgia Hunter Safety Course prior to camp.
